Retired Member Club:

The Club's Thanksgiving Luncheon/ Meeting will be on November 8, 2018, you will not want to miss this, so please keep the date open and make plans on attending. The menu will be Turkey/dressing, ham, green beans, mashed potatoes, yams and gravy, furnished by the Club. Members are asked to furnish desserts and if you wish, any additional side dish.

The Club meets at the Plumbers and Pipefitters training bldg. 3630 Belgium Ln. at 12 noon. To enjoy a hot meal, lunch will be served before the meeting. After the meeting, 10 games of bingo will follow. Thanksgiving is the time most often many of us count our blessings and friendship. Brotherhood is truly a blessing, so please join your brothers and friends on this day.

The Club's Christmas project will be "Construct A Kid's Christmas". They need toys and gifts for children of all ages from infant to 18 years old. They would encourage gifts for older children as they sometimes get left out. Gift cards, cosmetic kits, cologne, purses, games, small electronics, etc...work well for the teenagers.

Please note we will only be collecting items (*Unwrapped*) in the months of October and November because their Gala is being held on December 6th and the following day all the gifts will be loaded on a truck for distribution. This is the week before our regular meeting, which will be too late to contribute at that time.

Let's make this a great Christmas for Children in need!

Sandy Rogers, P.S.

Business Manager's Report:

Welcome Back from your break retirees!!!!!! it is so good to see that many of you have put aside your differences and have set a great example of continuing the Brotherhood. Thank you for your leadership in all you do.

Career Employment:

Help!!!! If you know someone who is interested in our wonderful trade, please ask them to inquire as to options that are available. The employment picture is great and now is the time to inquire about "earn while you learn" Apprenticeship. Help is always needed in recruiting those who are looking for a career, so if you know of grandchildren, neighbors, of just that one young man.....or woman, who needs a little guidance, please direct them to us.....Thanks.

The Local Union 60 hall and administrative office that will be located at 3520 N. Loop 1604 E. inside the Loop between Redland Rd. and Bulverde Rd. is scheduled to be completed sometime within the middle of January (2019) to the middle of February. **OUR PROPERTY** will include an overall building area of just over 11,800 SQ.FT. to include the Union Hall, a Covered Atrium, a Reception Hall, and a Covered Terrace. With much talk and excitement, I know that it will serve **Local 60 and our Families** for many years to come. Come join us at the Regular Union Meeting as we are showing progress on a slide show. We can discuss a future playground, BBQ pit, Horseshoe pits, washer pits and any other ideas that may be had. There will also be a discussion on the 11 acre property. Stay tuned, more to come....
