**Business Manager's Report:**

I would like to apologize for any inconvenience I have caused by reporting the wrong date of the September meeting, sometimes with seasoned citizens the brain takes a nap. With that being said, the Retired Members Club meets the second Thursday of the month, Sept. thru May. Taking June, July and August off for the summer. The meeting takes place at the Plumbers and Pipe Fitters training bldg. 3630 Belgium Ln. starting at 12 noon, after a short business meeting lunch will be served followed by 10 games of bingo.

Please circle Oct. 11, 2018 for our next meeting, Halloween and fall will be our theme, serving casseroles furnished by the members. Members are asked to furnish a main dish or side dish of your choice. If you prefer, you may furnish a dessert and/or any other dishes. The desserts are always welcomed. These meetings are for any IBEW Retired Member or Honorary Member and or souse of widow/widower. Please join in on all the fun and camaraderie .

Sandy Rogers, P.S.

Local 60 would like to Congratulate all Tele Communications and Electrical 2018 Graduates from the South Texas Joint Apprenticeship and Training Committee!!!! Brothers and Sisters, You all have much to be proud of. *Brothers Brandon N Mazac (Electrical) and Christopher A Ripley (Teledata) you both have set an example of excellence. Thank you!*

**Career Employment:**

The work situation continues to be positive. The weather has pushed back projects out for a few more weeks, but nonetheless we are continuing our efforts to increase membership, as we will need to increase our membership to gain market share.

**New Office Building and Union Hall**

The New building is located at 3520 N. Loop 1604 E. inside the Loop, between Redland Rd. and Bulverde Rd. Construction is scheduled to be completed sometime within the middle of January (2019) to the middle of February. If you have had the opportunity to pass by that area you will notice that it has become, as most of San Antonio and surrounding areas, very busy (developed). There is much excitement from a majority of our members and most retired members about where IBEW Local 60 will be in the future. There is no doubt in my mind, that if we continue to work together, we will be more successful and more educated about our Local than ever before. We look forward to inviting back IBEW Local 60 retirees to their House!
