

LOCAL 60

PROVIDING ORGANIZED LABOR IN SAN ANTONIO SINCE JULY 22, 1893
814 Arion Pkwy. Suite 120 San Antonio TX, 78216

I want to thank each and every IBEW Local 60 member who volunteered their time by participating in phone banking, door knocking, attending rallies and fundraisers and most importantly for getting out to vote. The numbers show the turnout for this election was a huge success, with 8.3 million Texans voting compared to the 2014 midterms, when only 4.6 million voters came out to vote. Exit polls show that young people made a big difference in this year's election across the board. Bexar County results show a very good night for candidates who support Labor and working families. Overall, big gains were made all across the nation for those who support our agenda. Again, thank you for your efforts and I believe we are all winners in this year's midterm elections... In Solidarity, Mike D. Hernandez
