### AFL-CIO / REGISTRAR

We would like to thank all local 60 members who live in TX House District 125 that participated in the special election of labor endorsed candidate Ray Lopez. Ed Sills with the TX AFL-CIO E-Mail News wrote on Wed, "We're proud to say San Antonio labor unions, with an assist from unions around the state, helped build turnout. Hat tip to the San Antonio CLC and to all the union members who block-walked and otherwise alerted members to the runoff". With the approaching municipal elections, labor will again focus on electing candidates that will support the values of working families and protecting our way of life. **DO SOMETHING!!** SB 15, the bill that would ban cities from adopting any ordinance, rule or requirement "regulating a private employer's terms of employment" in the areas of paid leave, vacation and days off, health and disability benefits, or "scheduling practices and that also would ax any other local laws that bar employers from taking a job applicant's criminal history into account, will be heading to the Texas Senate floor for a vote soon. WE NEED YOUR HELP! Call your Senate office at 1-833-417-4260 and politely ask your senator to vote "NO" on this legislation, which would prevent your local elected officials from improving workplace benefits..
